You also refrain from introducing data, photos or illustrations on the Internet and Extranet sites CSI and TOWA of the CASH SYSTEMES INDUSTRIE Group that would modify or would be likely to modify the content or appearance of the data, articles, photos, illustrations, animated sequences appearing on the site and by any means whatsoever. The violation of one of the author's rights may be considered as an infringement of copyright and, pursuant to Article L 335-2 of the Intellectual Property Code, the infringement in France of works published in France or abroad is punishable by three years' imprisonment and a fine of 300,000 euros.

CSI GROUP CHARTER FOR THE GENERAL DATA PROTECTION REGULATION

DATA CONTROLLER

In accordance with Law No 78-17 of 6 January 1978 on data processing, files and freedoms, as amended and Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016, the CASH SYSTEMES INDUSTRIE Group, controller, informs you that the CSI and TOWA Internet and Extranet sites implement a system for processing personal data

concerning you when you access, connect and complete any contact forms that you may complete.

As a user of our CSI and TOWA Internet and Extranet sites, you are required to provide some of your personal data by logging in and completing the forms provided to you on these sites. The input of this personal data is necessary for the processing of your request by the CASH SYSTEMES INDUSTRIE Group.

All CASH SYSTEMES INDUSTRIE Group employees respect your privacy and protect the personal data you have entrusted to us via our Internet and Extranet sites CSI and TOWA by ensuring their protection, confidentiality, non-alteration, availability and security.

Thus, in order for you to be able to browse our CSI and TOWA Internet and Extranet sites with complete peace of mind, we explain to you in this charter how we collect, process and use your personal data.

We take all the necessary measures to:

- provide you with clear and transparent information on how your personal data will be collected and processed;
- implement all necessary technical and organisational measures to protect your personal data against disclosure, loss, alteration or access by an unauthorised third party;
- keep your personal data only for the time necessary and only for the purpose of the processing or service for which you are concerned;

COLLECTION AND PROCESSING OF YOUR PERSONAL DATA

WHEN DO WE COLLECT YOUR PERSONAL DATA?

Your personal data may be collected:

- when you fill out a form;
- when you visit our CSI and TOWA Internet and Extranet sites;
- when you subscribe to a newsletter.

We collect the information you provide us with, in particular:

- during your exchanges with our services
- during your visits to our CSI and TOWA websites
- when you connect to our CSI and TOWA Extranet sites

QUELLES SONT LES DONNÉES À CARACTÈRE PERSONNEL QUE NOUS COLLECTONS ?

We collect the information you provide us with, in particular:

- your Name
- your first name
- your email address,
- your fixed or mobile phone number
- the company name of your company
- the position held within your company

This personal data, collected on the CSI and TOWA Internet and Extranet sites, can only be sent from your voluntary registration.

It is only used within the limits specified at the time of collection to provide you with the service or related information.

WHO USES YOUR PERSONAL DATA?

The data processed are intended for authorised employees of our company, subject to confidentiality.

They are not transferred to any commercial company or other organization. They are not communicated to third parties except technical service providers involved in the site distribution process (companies providing system maintenance, hosting providers) and tax authorities upon request.

The processing operations with a service provider are the subject of a contract in order to ensure the protection of your personal data and the respect of your rights.

WHAT ARE THE PURPOSES OF PROCESSING YOUR DATA?

The processing of your personal data is based on the legitimate interest pursued by the CASH SYSTEMES INDUSTRIE Group when it pursues the following purposes: management of the commercial relationship, organisation, registration and invitation to Group events; execution of pre-contractual measures or the contract when it implements a processing operation for the purpose of: production, management, file monitoring and collection; compliance with legal and regulatory obligations when our Group implements a processing operation for the purpose of preventing money laundering, billing and accounting.

We do not carry out any profiling or any other automated processing of your personal data that is not legally authorized.

HOW LONG DO WE KEEP YOUR DATA?

The CASH SYSTEMES INDUSTRIE Group keeps your data only for the time necessary for the operations for which they were collected and in compliance with the regulations in force.

In this respect, your data are kept for the duration of the contractual relationship without prejudice to any retention obligations or limitation periods.

In terms of accounting, they are kept for 10 years from the end of the accounting year.

INDIVIDUAL RIGHTS

In accordance with Law No. 78-17 of 6 January 1978 and Regulation (EU) 2016/679 of the European Parliament and of the Council of the European Union of 27 April 2016 and within the limits set by the Law, you have the following rights:

- **Right to information:** You are informed of the personal data held and the purposes of the processing

- **Right of access:** You have the right to obtain confirmation that your personal data are being processed or not and to become aware of it.
- **Right of rectification:** You have the right to obtain, as soon as possible, that inaccurate personal data are rectified, and that incomplete personal data are completed;
- **Right to erase:** You have the right to obtain as soon as possible the deletion of your personal data if there is no legitimate reason to keep them;
- **Right to limitation of processing:** You have the right to obtain a limitation of processing when you are opposed to it, when you dispute the accuracy of personal data, when the processing is unlawful, or when you need it for the establishment, exercise or defence of your legal rights;
- **Right of objection:** You have the right to object at any time to the processing of personal data, except where it is necessary for the performance of a task in the public interest or for the legitimate interests of the controller. You may also object to the processing carried out for the purpose of prospecting;
- **Right not to be the subject of an automated decision:** You have the right not to be the subject of a decision based exclusively on automated processing, including profiling, which produces legal effects concerning or affecting it, except where such a decision is necessary for the conclusion or performance of a contract, is legally authorised, or is based on its consent.
- **Right to portability:** the data subject has the right to obtain the personal data he or she has provided, in a structured, commonly used and machine-readable format, and has the right to transmit these personal data without the initial controller being able to prevent it. The data subject may even request that such personal data be transmitted directly from one controller to another where technically possible. However, this right is subject to the condition that the processing is based on consent or a contract and that the processing is carried out by automated means.
- **Right to define general and specific directives** defining the way in which they intend to exercise, after their death, the rights mentioned above.

We provide you with the following email address to exercise your rights:
rgpd@cashsystemes.eu

Any request sent to this e-mail address must be specific **as to the right concerned above, the personal data concerned and be accompanied by a photocopy of a signed identity document.**

PROTECTION AND SECURITY OF YOUR PERSONAL DATA

Respecting your rights to the protection, security and confidentiality of your personal data is our priority.

Thus, all CASH SYSTEMES INDUSTRIE Group employees implement organisational and technical security measures adapted to the degree of sensitivity of personal data to protect them against any malicious intrusion, loss, alteration or disclosure to unauthorised third parties.

When developing, designing, selecting and using any service based on the processing of personal data, all entities of the CASH SYSTEMES INDUSTRIE Group take into account the right to protection of personal data from the outset.

As all personal data are confidential, their access is limited to employees of the CASH SYSTEMES INDUSTRIE Group and/or the entity concerned or service providers acting on their behalf, who need it in the course of their duties. All persons having access to your data are bound by a duty of confidentiality and may be subject to disciplinary and/or other sanctions if they do not comply with these obligations.

In this ongoing concern for security and protection, we encourage you to exercise caution to prevent unauthorized access to your personal data and to protect your terminals (computer, smartphone, tablet) from unwanted or even malicious access with a strong password, which you are advised to change regularly. If you share a terminal, we recommend that you log out after each use.

Please note that no Internet connection is ever 100% secure or error-free.

In addition, it is your responsibility to protect your password and username or any other means of access to our CSI and TOWA Internet and Extranet sites.
